About Rainbow

Rainbow began its journey in June 2007. From the time of its inception, Rainbow has traversed many boundaries to establish a brand of its own in the educational arena. Within a span of fifteen year more than thirty thousand (30000) students, acquired the necessary basic skills and were groomed during their formative years to get to the primary level under the guidance of Rainbow Preschool International.

Located in a campus spread over 3.5 acres Rainbow International School is premier CBSE school in thane apart from being a physical landmark you cannot miss, we are gigantic in terms of several parameters.

Rainbow International School shall be synonymous with quality education. We are all committed to fostering all round-growth in our students. Rainbow allows its students to explore human excellence through competence, conscience and compassion.

We assist our students to identify their aptitude and shape their calibre and passion to become achievers and face the challenges of an ever-changing and highly competitive world.

Nestled in the natural surroundings, the school provides a stimulating environment to enhance cognitive, conative and kinaesthetic development.

Our Team

We have a team of highly motivated, inspiring and dynamic faculty to foster maximum potential in our students. To sustain our levels of excellence, the Management, Administrative staff, Coordinators, Counsellors, teaching faculty & support staff follow best practices of International quality management in our day-to-day administration.

Core Values

"WE STAND BY WHAT WE SAY".

VISION

We recognize the importance of imparting an educational experience that is of international standards which prepare children for global citizenship. We are a school with an Indian mind and an Indian soul; a school that celebrates the culture of excellence and nurtures values. We believe that a national curriculum accompanied by values and life skills is an integral factor in the process of Internalization of values because one can only give what one has within. We prepare our students to face the challenges of life with confidence and strength of character.

MISSION

To provide a conducive environment for learning that brings out the best in the students and supports their all-around development. To encourage the joy of learning amongst our students by awakening and illuminating their intellect level in multi-dimensional ways. We also educate our students to excel as good human beings so that they can contribute to the advancement of society through creative activities and scholarly talent.

Why Rainbow?

Rainbow International School is a trailblazer in the arena of education with a passion for excellence. Here, each child enjoys learning, dares to dream and becomes a lifelong learner.

A conducive environment is provided by our expert educators, with their multicultural perspective. Social ethics like empathy, compassion & respect for others is inculcated in the pedagogy. We provide state-of-the-art Facilities, Technologies & Infrastructure to optimise teaching and learning outcomes.

Our educational programmes support the child's Academic, Moral, Social and Physical development. Our curriculum reflects Global, Rural & Urban dimensions; thereby preparing our students to face all future challenges. At the preschool levels, we follow the Theory of Multiple Intelligence, for holistic development.

At Rainbow, students are encouraged to build a positive self-image & evolve into Well-Disciplined, Resourceful and Accountable human beings. Emotional Intelligence is nurtured through well-designed activities & programmes to overcome discrimination, prejudice and bullying.
